

IN THE SPECIFICATION:

The following paragraph of the specification is being amended:

Paragraph to be Amended

[0003]

The above-listed paragraph is presented below in strikeout-and-underline format. The following presentation replaces all prior versions and presentations of paragraphs in the above-captioned application.

Please amend Paragraph No. [0003] as follows:

[0003] This application also discloses subject matter related to that disclosed in United States Patent No. 6,660,112 that issued on December 9, 2003, from United States Patent Application Serial No. 666,020 that was filed on September 19, 2000, and that is related to the same applications and in the same manner as those set forth above for the Parent Application.
